Important Questions	Answers	Why This Matters:
What is the overall deductible?	$0	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	No.Preventive care, office visits, tests, immediate medical and drugs may be covered before you meet your deductible. See the specific services listed below denoted Deductible does not apply.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Not Applicable	This plan does not have an out-of-pocket limit on your expenses.
What is not included in the out-of-pocket limit?	Non-covered services, denied benefits, and the benefit reduction amount when prior authorization is not obtained. Certain specialty drugs that are considered non-essential health benefits.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.Certain specialty drugs that are considered non essential will be reimbursed by the manufacturer at cost to you.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider?	Yes. See networkhealth.com or call Network Health Customer Service at 1-855-275-1400 for a listing of participating providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an Out of network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an Out of network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.
